EFFECTIVE DATE NOTE: At 77 FR 6380, Feb. 7, 2012, § 190.04 was amended by revising paragraph (d)(1), effective April 9, 2012. For the convenience of the user, the revised text is set forth as follows:

§ 190.04 Operation of the debtor's estate—general.

* * * * *

(d) *Liquidation*. — (1) *Order of Liquidation*. (i) *In the Market*. Liquidation of open commodity contracts held for a house account or customer account by or on behalf of a commodity broker which is a debtor shall be accomplished pursuant to the rules of a clearing organization, a designated contract market, or a swap execution facility, as applicable. Such rules shall ensure that the process for liquidating open commodity contracts, whether for the house account or the customer account, results in competitive pricing, to the extent feasible under market conditions at the time of liquidation. Such rules must be submitted to the Commission for approval, pursuant to section 5c(c) of the Act, and be approved by the Commission. Alternatively, such rules must otherwise be submitted to and approved by the Commission (or its delegate pursuant to § 190.10(d) of this part) prior to their application.

(ii) *Book entry*. Notwithstanding paragraph (d)(1) of this section, in appropriate cases, upon application by the trustee or the affected clearing organization, the Commission may permit open commodity contracts to be liquidated, or settlement on such contracts to be made, by book entry. Such book entry shall offset open commodity contracts, whether matched or not matched on the books of the commodity broker, using the settlement price for such commodity contracts as determined by the clearing organization. Such settlement price shall be determined by the rules of the clearing organization, which shall ensure that such settlement price is established in a competitive manner, to the extent feasible under market conditions at the time of liquidation. Such rules must be submitted to the Commission for approval pursuant to section 5c(c) of the Act, and be approved by the Commission. Alternatively, such rules must otherwise be approved by the Commission (or its delegate pursuant to § 190.10(d) of this part) prior to their application.

§ 190.05 Making and taking delivery on commodity contracts.

(a) *General*. (1) In the event that the trustee is unable to liquidate an open commodity futures contract subject to physical delivery or an option on a

physical commodity, which cannot be settled in cash, prior to the last day of trading in that contract as required by §§ 190.02(f)(1) and 190.03(b)(5), the trustee must use its best efforts to prevent property which is to be delivered for or on behalf of a customer to fulfill that contract, or property for which delivery is being taken with respect to a customer pursuant to that contract, from becoming part of the debtor's estate.

(2) Delivery account shall mean any account prominently designated as such in the records of the debtor which contains only the specifically identifiable property associated with delivery set forth in § 190.01(kk) (3), (4), and (5), except that with respect to § 190.01(kk) (4) and (5), delivery need not be made or taken and exercise need not be effected for such property to be included in a delivery account.

(3) The portion of the price or the proceeds of a commodity contract upon delivery which is not specifically identifiable property under § 190.01(kk) (4) and (5) must be distributed pro rata under section 766(h) of the Code.

(b) *Contract market rules for deliveries on behalf of a customer of a debtor*. Except in the case of a commodity futures or option contract which is settled in cash, each contract market shall adopt, maintain in effect and enforce rules which have been approved by the Commission in accordance with section 5a(a)(12) of the Act and § 1.41 of this chapter, which:

(1) Permit the making and taking of delivery to fulfill a commodity futures contract for a physical commodity or an option on a physical commodity, which has not become part of the debtor's estate on the date of the entry of the order for relief but with respect to which commodity contract:

(i) Trading has ceased on the date of the entry of the order for relief;

(ii) Notice of delivery has been tendered on or before the date of the entry of the order for relief; or,

(iii) Trading ceases before it can be liquidated by the trustee, to be effected directly between the customer of the debtor and the person identified by the clearing organization as the party to whom delivery should be made or from whom delivery should be taken by such

customer of the debtor without intervention of the trustee and without including such physical commodity or the payment for such physical commodity in any bankruptcy distribution: *Provided, however,* That a customer shall not be relieved of his obligation to make or take delivery for the sole reason that delivery must be made or taken from a commodity broker which is a debtor; and

(2) Recognize that the equity of a customer of the debtor in a commodity contract upon which delivery is made or taken must be included in the net equity claim of that customer and, as such, can only be distributed pro rata at the time of, and as part of, any distributions to customers made by the trustee.

(c) *Delivery made or taken within the debtor's estate.* (1) Any property in a delivery account which is part of the debtor's estate on the date of the order for relief may be returned under the terms set forth in § 190.08(d)(1)(ii).

(2) If the property to be delivered is part of the debtor's estate on the date of the order for relief and a customer of the debtor is required to make delivery, the trustee must make delivery in the same manner as if no bankruptcy had occurred and the party by whom delivery is taken must pay the full notice price or strike price for delivery.

(3) If delivery is to be made or taken on behalf of a house account the trustee must either make or take delivery, as the case may be, on behalf of the debtor's estate: *Provided,* That if the trustee, at any time, takes delivery of a physical commodity, the trustee must convert that physical commodity to cash as promptly as possible.
